# TRANSFORMATIONAL LEADER PART ONE

- i** 1 x 360° Diagnostic
- i** 2 x Debrief Sessions
- 📍** 1 x Workshop
- 📍** 1 x Digital Module
- 🕒** 2-3 x Months

Leaders complete a revealing, highly pragmatic leadership 360 report supported by two one-on-one debriefs which unpack their CLS360 results. This culminates in valuable insights into strengths as well as any destructive leadership tendencies. The strong evidence-base resonates, and insight builds around key leadership concepts and dynamics such as balancing agency with relationship and the realities of power dynamics.

A powerful two-day workshop, deep dives into transformational leadership in a pragmatic way, allowing participants to connect their personal feedback to effective leadership approaches: Inspirational, Coaching and Participative. Leaders walk away with a renewed sense of purpose and focus to inspire transformational change in their team.

## OUTCOMES

- Powerful insights and self-reflection
- Comprehensive Understanding of Transformational Leadership
- Personal plan for leadership development

## PROGRAM JOURNEY
