Cancellation of registration as a body corporate under the *Fair Work (Registered Organisations) Act 2009* (Cth) | Victorian Chamber of Commerce and Industry Incorporated

This written notice is published on the website of Victorian Chamber of Commerce and Industry Incorporated (formerly, Victorian Chamber of Commerce and Industry) (**VCCI**) for the purposes of regulation 34(2) of the *Fair Work (Registered Organisations) Regulations 2009* (Cth) and all other purposes.

At a special general meeting of members held on 19 January 2024, the members of VCCI approved:

1. VCCI's proposed change in entity type from a body corporate established under the *Fair Work (Registered Organisations) Act 2009* (Cth) (**RO Act**) to an incorporated association registered under the *Associations Incorporation Reform Act 2012* (Vic) (**AIR Act**); and
2. cancellation of VCCI's registration as a body corporate established under the RO Act.

On 9 July 2024, Consumer Affairs Victoria registered VCCI as an incorporated association under the AIR Act with the name 'Victorian Chamber of Commerce and Industry Incorporated' and with registration number A0123796K.

On 29 July 2024, VCCI lodged Form F60 (*Application by an organisation for cancellation of registration*) (**Application**) with the Fair Work Commission (**FWC**). We understand that the FWC will separately publish a notice in the Gazette that it has received the Application.

Under section 32 of the RO Act, cancellation of VCCI's registration under the RO Act will result in VCCI ceasing to be a body corporate under the RO Act such that VCCI will be solely governed by the AIR Act and its rules of association as an incorporated association.

In accordance with section 15 of the AIR Act, VCCI's change of entity type to an incorporated association under the AIR Act did not affect the identity of VCCI and VCCI is taken to be the same body before and after its registration as an incorporated association.
